

Communication for the Parents/Students

Dear Parents/(**Parent's Name**)

We are glad to announce that our school and students have been selected to participate in the National Young Authors Fair- the World's Largest Book Writing Competition. Our school is competing with over 3000 schools that were chosen for the event, hence your child's participation is very important.

The event will help your child become a Published Author, and their books will have an ISBN that is issued by the Ministry of Education. All the published authors will get a '**Globally Published Author Certificate**' apart from awards in the best jury and best seller award categories.

It is **Completely Free** to participate in the National Young Authors Fair and your child will also be able to promote their books and earn **up to 25% Author Royalties** for each copy of their book sold.

1. Please register your child at <https://www.yaf.bribooks.com/india/student> by **26th Dec 2022, 9 p.m.**
2. Once your child is officially registered, you will receive a confirmation mail stating the same after which they can start writing their book on the BriBooks.com platform. Children will be helped by an AI-powered tool on the BriBooks.com platform in their creative writing process.

Join us at the Mega Event and be part of History in making!

Communication for the teachers

Dear **(Teacher's name)**,

We are glad to announce that our school and students have been selected to participate in the National Young Authors Fair- the World's Largest Book Writing Competition.

Our school is competing with over 3000 schools that were chosen for the event, hence our students' participation is very important.

The event will help our students become Published Authors, and their books will have an ISBN that is issued by the Ministry of Education.

All the published authors will get a '**Globally Published Author Certificate**' apart from awards in the best jury and best seller award categories.

It is **Completely Free** to participate in the National Young Authors Fair and our students will also be able to promote their books and earn **up to 25% Author Royalties** for each copy of their book sold.

3. Please ask the students of your class to register at <https://www.yaf.bribooks.com/india/student> by **26th Dec 2022, 9 pm**
4. Once the students are officially registered, they will receive a confirmation mail stating the same after which they can start writing their book on the BriBooks.com platform. Students will be helped by an AI-powered tool on the BriBooks.com platform in their creative writing process.
